

PROFIL

Results-driven VP Marketing with 8+ years of experience scaling B2B SaaS and Fintech companies. Proven track record in designing and executing high-impact Go-To-Market (GTM) strategies, driving pipeline growth (>EUR10M/year), and optimizing customer acquisition costs (CAC) by 35%. Expertise in Account-Based Marketing (ABM), inbound/outbound lead generation, and data-driven decision-making. Adept at leading cross-functional teams (10+ members) and collaborating with Sales, Product, and Data teams to achieve hypergrowth in competitive, regulated markets. Fluent in English and French, with a passion for building scalable marketing engines in international environments.

EXPÉRIENCE PROFESSIONNELLE **Senior Marketing Manager**

April 2021 – Present

TechFlow B2B (SaaS) | Paris, France

- Spearheaded GTM strategy and inbound marketing initiatives, increasing Marketing Qualified Leads (MQLs) by 145% in 6 months and contributing to EUR5M+ in additional pipeline over 18 months.
- Managed a EUR1.2M annual acquisition budget, reducing Customer Acquisition Cost (CAC) by 35% through data-driven optimization of SEO, LinkedIn Ads, and email automation (HubSpot).
- Led a team of 4 marketing specialists (SEO, Content, Ads, Events), fostering a culture of experimentation and achieving a 20% improvement in MQLSQL conversion rates.
- Designed and executed ABM campaigns targeting enterprise clients, resulting in a 30% increase in deal size and a 25% reduction in sales cycle length.
- Collaborated with Sales and Product teams to refine lead scoring models, improving lead quality and reducing attrition by 15%.
- Implemented advanced marketing analytics (Google Analytics, Tableau) to track KPIs (CAC, LTV, ROI) and inform strategic decisions, achieving a 4x ROI on marketing spend.

Growth Marketer

January 2018 – March 2021

ScaleUp Inc (SaaS) | Lyon, France

- Launched and scaled Account-Based Marketing (ABM) strategy, converting 12 enterprise accounts (avg. deal size: EUR250K) and generating EUR3M+ in pipeline within 12 months.
- Developed and automated lead scoring models in HubSpot, increasing SQL conversion rates by 40% and reducing manual qualification efforts by 50%.
- Optimized multi-channel acquisition (SEO, SEA, LinkedIn Ads, email) to achieve a 3x ROI on marketing spend and a 25% reduction in CAC.
- Partnered with Product and Sales teams to define GTM strategies for new product launches, resulting in a 50% faster time-to-market and EUR2M in first-year revenue.
- Built and nurtured a content marketing engine (whitepapers, webinars, case studies), driving a 60% increase in organic traffic and a 35% boost in lead generation.
- Mentored junior marketers and cross-functional teams on data-driven marketing, improving campaign performance and team productivity by 20%.
